THE HOTEL

Preveza is a port town with rich history from ancient and Roman times, built on the Ambracian Gulf, in the vicinity of Ancient Nicopolis. Today the shallow water lagoons enclosed by the Ambracian Gulf contain a protected environment of ecological interest nesting over 250 rare bird species.

The Margarona Royal Hotel enjoys a privileged location in the outskirts of Preveza, facing the Gulf, minutes away from the port and the center of Preveza. Enjoy Greek food, great beaches, interesting attractions, and fun outdoor activities such as hiking, cycling, kayaking, and so much more! With the hotel's ideal location, you have the chance to also explore nearby historical attractions, seaside towns or islands.

While enjoying views of the sea, the pool, and the gardens you'll have a chance to unwind in 115 spacious and comfortable rooms and suites. Enjoy drinks and excellent meals in our facilities which include the main restaurant, an outdoor pool for the summer, and an exquisite lobby lounge bar with a cozy feel and a fireplace.

The hotel has embodied ecological technologies to become a "green" hotel, part of Amalia Hotel Group's commitment for energy saving and environmental protection, and has been awarded with the International Green Key Award by the Foundation for Environmental Education (FEE).
